# NASCAR Sprint Cup & Nationwide Series

*You've seen the rest... Now go with the best! 3 Days at the Track!*

**Day 1 (Friday):** We're off to the races! Departing Sioux Falls, we head south

to Kansas City and the famed Kansas Speedway for our first look at the weekend's

festivities. If you want to watch qualifying for the Sprint Cup Race (we're still getting used to the change from Nextel Cup!), admission is \$10.00 per person.

After a couple of hours at the track, we'll head to our hotel in Overland Park, KS, in time for the Drury Inn's "Happy Hour" with free drinks and snacks. You're on your own for dinner tonight, but there are several restaurant choices nearby.

**Day 2 (Saturday):** After we enjoy a hot, complimentary breakfast, we'll depart for the track. You can wander through the souvenir trailers or go into the track to watch more qualifying and practices. For those who want an up-close experience, you can purchase "Fan Walk" passes for Friday, Saturday, or Sunday directly from [www.KansasSpeedway.com](http://www.KansasSpeedway.com). These

passes allow you into a "special" section behind pit road to

view all of the action up close and personal. Later this afternoon, the Nationwide Series boys hit the track (yet another name change in 08!). Before moseying

back to the hotel, we'll have a "busgating" party courtesy of Prairie Coach. The menu features brats and burgers, beans, chips, etc. After the traffic clears and we're finished devouring the bbq, we'll head back to the hotel.

**Day 3 (Sunday):** It's the day you've been waiting for! After another great breakfast, we'll "race" back to the track

where you can hit the grandstands to await the four most famous words in racing...

*"Gentlemen, start your engines!"*

After the race, it's homeward bound with some

great memories of an awesome race! Don't miss this in 2008!
