## American Quilter's Society International Show Third Annual Event — Des Moines, IA

**J**oin us for two full days at the American Quilter's Society Third Annual Show in Des Moines, in collaboration with the Des Moines Quilt Guild (also their annual show). We'll depart Huron, Mitchell and Sioux Falls in the morning and travel to Sioux City for lunch (provided Prairie Coach!) and then visit an area quilt shop before leaving for Des Moines. We'll get an early start for the Show in the morning, so you'll have two full days at the event to learn, shop, and explore. Of interest to quilters:

- Many, many workshops and lectures on quilt design and techniques, including classes in the AQS School of Quiltmaking. An all-star group of leading quilting instructors will present their workshops and lectures on traditional and new, innovative quiltmaking techniques. You can pre-enroll for these on the AQS website:

www.americanquilter.com after May 1st.

You are responsible for entry into classes and lectures, so sign up early to

ensure you'll get your first choice!

- Nearly 1,000 quilt exhibits.
- Judged competition where the "Best of Show Quilt" will win \$10,000 for its creator. Many other categories abound.
- A merchant mall with over 100 vendors from around the country. Register at the booths to win some fabulous door prizes!
  - Lectures by well-known quilters.

We will have a special Tour Guide for you on this tour. One who enjoys quilting just as much as you do! There will be plenty of fun stuff to do on the bus, or simply quilt away at your leisure!

Prairie Coach will provide scheduled shuttle between the Drury Inn and the Iowa Events Center on Days 2 and 3. On our last

day, we'll stop at another quilt shop on our way home and have lunch again (provided Prairie Coach!) in Sioux City. Grab your girlfriends and board the Prairie Coach bus!
