

First Day of Spring Twin Cities Fling

Enjoy "Footloose" at Chanhassen Dinner Theater
and "The Dixie Swim Club" at The Old Log Theater

Day 1: We'll depart early this morning on our way to Chanhassen MN, where we will check into the hotel to freshen up before the show and dinner. Upon arrival at the Chanhassen Dinner Theater, we'll have dinner and then settle into our 2nd & 3rd row seats for the exhilarating musical "Footloose."

This Broadway smash-hit is filled with heart-stopping acrobatics and choreography. Based on the movie that captured the hearts of America back in the 1980s, Footloose bursts onto the stage with a youthful spirit, dazzling dance scenes and electrifying music. A teenager from Chicago, Ren is forced to move to a small town with his mother after his father abandons them. It

doesn't take Ren long to shake up this puritanical little town and have the whole senior class on their feet and dancing—which is a huge "sin" according to the town minister. After the show, we'll travel back to the Minnetonka for our overnight at the Hampton Inn.

Day 2: This morning, you'll have plenty of time to enjoy your "On the House" hot breakfast that made Hampton Inns famous. We will then depart for the Old Log Theater for their Sunday luncheon and the production of "The Dixie

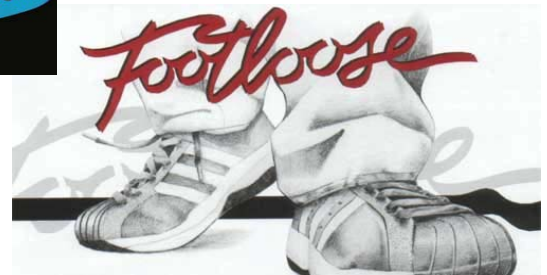

Swim Club." Enduring a 33-year period, this heart touching comedy centers around 4 Southern women who became friends on their college swim team and set aside

one long weekend each year to recharge their relationships. Free from husbands and kids, they meet at a cottage on the Outer Banks to laugh, catch up and meddle in each others lives. As their lives unfold and the years pass, these women increasingly rely on each other to get through whatever life throws at them. When fate throws a wrench in one of their lives, they rally around their own with power and strength that will take this comedy in a poignant and surprising new direction!

After the show, we'll board the bus for our trip home, warmed by the productions we've shared these past two days.
