

## Pierre Christmas Trees

Get into the holiday spirit with a motor coach trip to the South Dakota state capitol's annual Christmas tree display! Each year, the capitol building is transformed into a winter wonderland of beautiful Christmas trees, under a canopy of snowflakes and stars. Twinkling lights and red poinsettias stand out against the background of white marble.

We'll depart from Sioux Falls first thing in the morning, making stops along the way for passengers, and we'll have coffee and treats on board!

While in Pierre, we'll tour the capitol, view the area's Christmas decorations, and tour the South Dakota Historical Society's Cultural Heritage Center. Lunch in Pierre and dinner at Al's Oasis on the way home, are both on Prairie Coach!

Please join Prairie Coach Trailways for a delightful Christmastime excursion to Pierre!
